This sociable space extends across much of the ground floor, providing ample room for both relaxing and entertaining, with double doors opening directly onto the garden. The kitchen was fitted approximately two years ago and features a stylish range of contemporary units, generous work surfaces and integrated appliances, together with space for the necessary laundry appliances.

The enclosed rear garden features a paved terrace adjoining the house, with the remainder arranged with areas of lawn, established planting, space for outdoor seating and an outdoor store room. The recently completed roof is accompanied by a 10-year guarantee.
