A characterful and deceptively spacious three-bedroom family home, offering generous and versatile accommodation, a substantial rear garden and further potential to extend, subject to the usual planning consents.

The property is approached via an entrance hallway providing access to the principal ground-floor rooms and stairs to the first floor. A particular feature of the home is the impressive main living room, which has been extended to create a superb family living space. Flooded with natural light from a large rooflight, the room offers plenty of space for multiple seating areas, with a fireplace providing an attractive focal point. Doors to the rear provide direct access onto the garden.

The kitchen/breakfast room is another well-proportioned space, fitted with a comprehensive range of units and ample worktop space, together with room for a dining table. Adjoining the kitchen is a further reception area with a bay window, creating an ideal family room, snug or more formal dining area.

The ground floor also benefits from a separate utility room, providing valuable additional storage and space for appliances, together with a shower room finished with contemporary grey tiling.

Upstairs are three well-proportioned, double bedrooms, including a generous principal bedroom. The accommodation is completed by a spacious family bathroom, which has plenty of character and features a freestanding roll-top bath alongside useful built-in storage.

Outside, the rear garden is undoubtedly another major feature of the property. Generous in size, it is predominantly laid to lawn with established shrubs and planting to the boundaries. Immediately adjoining the house is a covered patio area, creating an excellent space for outdoor dining and entertaining.

The size of the plot also provides excellent potential for further extension or reconfiguration, subject of course to the necessary planning permissions, making this a home that could grow with a family's requirements over time.

The location is equally convenient, with Brookwood mainline railway station within walking distance, making the property particularly appealing to commuters, while local shops, schools and amenities are also readily accessible.

Overall, this is a substantial and versatile family home that offers considerably more accommodation than may initially be apparent, combining character, flexible living space, a large garden and exciting potential for the future.
