A truly exceptional penthouse apartment and the largest residence within this exclusive development of just ten individual homes, occupying a highly desirable position towards the end of a peaceful no-through road in the heart of Horsell.

Offering an impressive sense of space, light and privacy, the apartment provides in excess of 1,000 sq ft of beautifully proportioned and versatile accommodation.

Generous living areas, excellent natural light and the elevated penthouse position combine to create a home that feels notably different from a typical apartment, with a wonderful sense of openness throughout.

Adding further to the sense of exclusivity, the development benefits from secure gated access, underground allocated parking and attractive communal gardens, creating a private and well-maintained environment.

The setting is equally appealing. Horsell Village centre is just moments away, offering an excellent selection of independent shops, cafés, restaurants and popular gastro pubs, while Horsell Common provides hundreds of acres of beautiful open countryside close at hand. Woking town centre and its mainline station are also within easy reach,

where you find the fast train link to London Waterloo (circa 26 minutes).

With its exceptional proportions, penthouse position and superb village location, this is a rare opportunity to acquire one of Horsell's most impressive apartments and a home that should appeal equally to those downsizing from a larger property or seeking premium, low-maintenance living.

The property is offered to the market with the additional convenience of no onward chain.
