The property provides well-balanced accommodation throughout, beginning with two reception rooms comprising a generous rear-aspect living room and a separate dining room which adjoins the kitchen. The layout offers excellent flexibility, with clear potential for the dining room and kitchen to be opened up to create a modern open-plan kitchen/dining space, subject to requirements. Additional ground floor benefits include a downstairs shower room and a large conservatory overlooking the rear garden, providing further versatile living space.

Upstairs, the property features four bedrooms, including three well-proportioned doubles, all benefiting from built-in wardrobes. A family bathroom completes the first floor accommodation.

Externally, the home enjoys an East-facing rear garden, ideal for morning sun and outdoor dining. To the front, there is a driveway providing off-street parking and access to a double-length garage, offering excellent storage or potential workshop space.

Further benefits include the convenience of being within a short walk of Knaphill village, with local shops, cafés and amenities close at hand, while Brookwood railway station is also easily accessible, providing direct links into London and surrounding areas.
