Your property partner for life

The apartment is approached via an impressive communal entrance and immediately impresses with its grand proportions, high ceilings and abundance of natural light. The spacious central hallway provides access to all principal rooms, creating a wonderful sense of flow throughout.

The elegant sitting room is a magnificent reception space, featuring a striking fireplace, beautiful leaded windows and ample room for both formal seating and dining, making it ideal for entertaining as well as everyday living.

The kitchen has been thoughtfully updated with bespoke cabinetry, marble-effect worktops, a range-style cooker and attractive feature tiling, creating a stylish yet practical space with plenty of storage and preparation areas.

The principal bedroom is exceptional in both scale and presentation, enjoying dual-aspect leaded windows and an indulgent open-plan en-suite featuring a freestanding bath alongside a large walk-in shower, creating a luxurious boutique hotel feel. Two further generous double bedrooms continue the theme of impressive proportions and character, each offering flexible accommodation for family, guests or home working. A separate modern shower room serves these bedrooms and has been tastefully finished.

Throughout the apartment, period detailing including high ceilings, decorative cornicing, fireplaces and large leaded windows combine seamlessly with sympathetic modern improvements, creating a home of considerable charm and individuality.

Outside, residents enjoy beautifully maintained communal gardens providing a peaceful green space to relax, together with residents' parking.

The apartment also presents an exciting opportunity for investors or developers. Given its original layout and generous proportions, we believe there is potential to reconfigure the accommodation into two self-contained apartments, subject to the necessary planning permissions and building regulation approvals.

Offering a rare combination of space, character, convenience and future potential, this is a truly unique apartment in one of Haslemere's most recognisable buildings, perfectly positioned for commuters, downsizers and those seeking elegant town-centre living.
