Occupying part of an impressive Victorian residence dating back to 1866, Apartment 2 forms one of just five apartments created following the sympathetic conversion of the building in 1986. Set within an attractive and peaceful position on the sought-after Guildown Road, the property combines period character with practical, well-balanced accommodation.

The apartment is accessed via an impressive communal entrance hall, showcasing the building's magnificent original staircase. Once inside, a welcoming entrance hall provides access to all principal rooms and includes a useful cloakroom for guests. The elegant sitting room is a particular feature, enjoying high ceilings, decorative cornicing, sash-style windows with beautiful stained glass detailing, and an attractive outlook. Adjoining the sitting room is a separate dining room, creating an ideal space for both everyday living and entertaining, with the kitchen positioned alongside and fitted with a range of wall and base units offering ample storage and workspace.

There are two well-proportioned double bedrooms, both offering comfortable accommodation and an abundance of natural light. The second bedroom benefits from a dual-aspect outlook, making it equally suited as a guest bedroom or home office. The bathroom is fitted with a modern suite comprising a bath with shower over, wash hand basin and WC.

Externally, the property enjoys the benefit of its own private courtyard garden, in addition to attractive communal gardens for residents to enjoy. There is also parking available for one vehicle.
