Situated in a popular residential location in Shepperton, this well-presented four-bedroom family home has been thoughtfully extended to the rear, offering versatile living space, front and rear gardens, off-street parking, and the added benefit of solar panels.

The property is approached via a front garden with driveway parking and opens into a welcoming entrance hallway. The spacious lounge/dining room provides an excellent space for both relaxing and entertaining, with dual-aspect doors in the lounge area allowing an abundance of natural light and seamless access to the garden. The traditional kitchen is fitted with a range of attractive shaker-style units, offering ample storage and workspace. Completing the ground floor is a practical utility room and a separate bedroom/office, ideal for those working from home or requiring additional flexible accommodation.

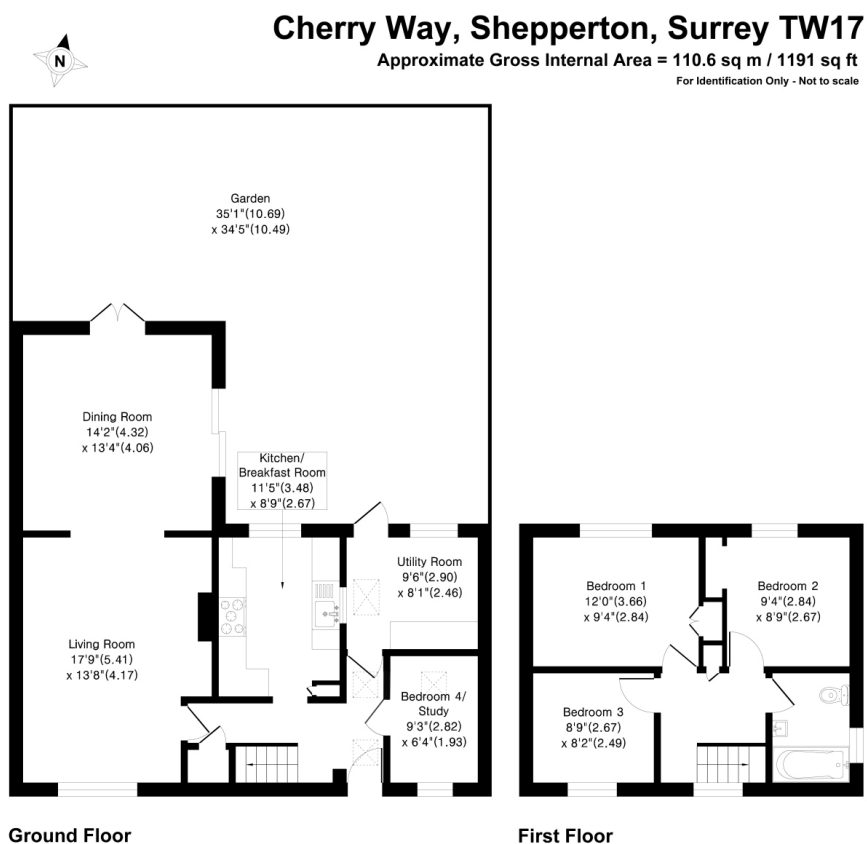

Upstairs, there are three well-appointed bedrooms, all served by a family bathroom fitted with a white suite.

Outside, the enclosed rear garden enjoys a patio, perfect for outdoor dining, leading onto a lawned area, all enclosed by fence panelling to provide privacy and security. The front garden incorporates driveway parking for added convenience.

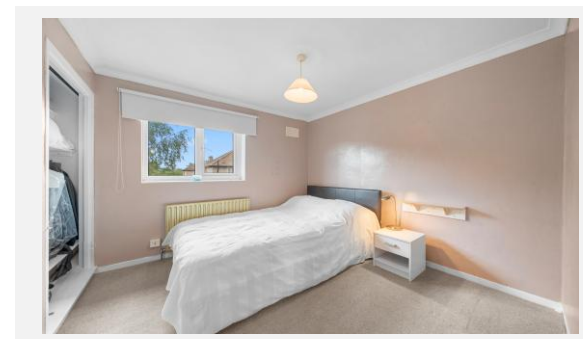

This appealing home combines practical family living with solar panels and is ideally located within easy reach of excellent road links.
