

TALL TIMBERS

HEADLEY DOWN • HAMPSHIRE

Tall Timbers, 40 Stonehill Road, Headley Down, Hampshire, GU35 8HE

Attractive and beautifully presented four bedroom home situated within carefully maintained surrounding gardens close to several areas ideal for woodland walks.

Driveway parking and garage to the front.

A spacious and highly versatile detached home, offering accommodation that can be configured to suit a wide variety of needs. With anything from four bedrooms and one main reception room to two bedrooms and three reception rooms, the property is particularly well suited to modern family life. The presence of two ground floor bedrooms and a shower room also creates an excellent option for multi-generational living.

A large driveway provides generous off-road parking and leads to a detached single garage. Planning permission has been granted to replace this with a double garage, offering further potential for buyers wishing to expand the existing facilities. The consent is understood to expire in 2027.

The front door opens into an entrance hall flanked by two particularly generous multipurpose rooms. Both are currently arranged as double bedrooms, although either could work equally well as a family room, formal dining room, home office or snug, allowing the accommodation to evolve with its occupants.

Next is a well-equipped dual aspect kitchen/breakfast room, fitted with an extensive range of drawer and cupboard storage together with plentiful worktop space. Integrated appliances include a dishwasher, washing machine, tumble dryer, freezer, oven and gas hob, while ample room remains for a breakfast table. A stable door opens directly onto an east and south-facing garden, arranged with lawn and patio areas and complemented by a substantial

storage shed.

At the heart of the home is an impressive 24'2" triple aspect living room, offering more than enough space to accommodate both lounge and dining furniture. Part-beamed ceiling and teak wall panelling add warmth and character, while wall and ceiling lights provide a choice of ambient lighting. A handsome limestone fireplace with a wood-burning stove forms a natural focal point and creates an especially inviting atmosphere during the colder months. South-facing patio doors open onto an illuminated pathway leading around to both the main garden areas.

A fully tiled shower room completes the principal ground floor accommodation. An additional hall area is currently arranged as a comfortable relaxation nook, but it would equally be suited to use as a study, reading corner or music space.

Stairs rise to a landing flooded with natural light from a Velux window. Two further double bedrooms both benefit from eaves storage and fitted furniture, making them ready for immediate use, and are served by a family bathroom fitted with a corner bath.

Further planning permission has been granted for a garden cabin on the site of the existing greenhouse. This offers exciting scope to create a detached home office, gym, hobby room or guest space, with the consent understood to expire in 2027.
